

Mohamed L'Amine Gherbi

Full-stack Developer

meh.amine.gherbi@gmail.com

0665239190

Biskra, Algeria

Master's graduate in Software Engineering and Distributed Systems (GLSD) with a strong foundation in system architecture, analytical thinking, and problem-solving. Focused on backend-oriented full-stack web development, with a keen interest in building scalable applications and contributing to the development of a modern IT environment. Eager to leverage AI-powered tools and explore AI integration to improve development efficiency and business processes, while strengthening expertise in DevOps and contributing to the growth of an evolving engineering team.
